ZONTA 2007 SPRING GALA
Improving the Status of Women Worldwide

The Zonta Club of Washington, DC has been changing the lives of women for 85 years. Through our fundraising programs, we fund service projects and scholarships in the local community and worldwide. The Zonta Club of Washington Foundation is the 501(c)3 organization that supports our fundraising programs.

A woman's future should not be a gamble. We appreciate your support in joining us as we work together to help women everywhere increase their odds for a better future.

A special thanks to MDG Design for invitation and program design, and to Balmar for printing.
